Streamlined Leasing Process

LEASING & BUILD-OUT COORDINATION

01	Rapid Test Fits	Typically 1-3 business day turnaround for high-quality test fits, facilitating custom design-builds.
02	Lease Generation + Review	Very fast turnaround for lease documents and comments. Leasing, ownership, and legal have collaborated for 15 years to fast-track deals with no surprises.
03	Responsive Leasing Team	A leasing team that's always available, prioritizes the asset, and is ready to make quick deals. Immediate decision-making with no institutional bureaucracy.
04	Customization & Build-Out	Flexibility and decades of experience customizing layouts for specialties, with a construction team that reliably meets aggressive timelines.
05	Unparalleled Personal Touch	Ownership's President meets with each tenant to build rapport and trust. All tenants have the President's contact information to ensure accountability throughout the lease.
06	Commission Payments	Processed within days of receipt of an invoice; no follow-ups required.

STABLE, RESPONSIVE MANAGEMENT

07	Legacy of Stability	Established in 1904. Long-term ownership and conservative financing support continued investment; no demolition or redevelopment provisions.
08	On-Premises Management	In-house ownership and management maintain direct knowledge of the property.
09	Staff Continuity	High staff retention provides continuity and familiarity with tenant needs.
10	Responsive Team	Proactive, attentive management works to identify and address issues promptly.
11	Direct Accountability	Direct access to ownership without unnecessary layers.
12	Full-Service HVAC	Landlord warranties and provides full-service maintenance for every unit; tenants control temperature at any time.

24/7 Tenant-Controlled Air Conditioning + Extended Cooling Season

Each tenant controls its own air conditioning without overtime charges or advance coordination. The building provides an extended cooling season based on conditions.
